SYMPTOMS OF CATARRE.—Dull, heavy headache, obstruction of the masal passages, discharges failing from the head into the throat, sometimes profuse, watery, and acrid, at others, thick, tenacious, muscus, purulent, bloody and putrid; the eyes are weak and watery; there is a ringing in the ears, deafness, hacking or coughing to clear the throat, expectoration of offensive matter, together with scales from ulcers; the voice is changed and has a "masal twang"; the breath is offensive; smell and taste are impaired, there is a sensation of dizzbess, with mental depression, a hacking cough vid general debility. Only a few of the above-asmed symptoms are likely to be present in any one case. Thousands of cases annually, without manifesting half of the above symptoms, result in consumption and end in the grave. No disease is so common, more deceptive and dangerous, or less understood by physicians.

By its mild, soothing and healing properties. Dr. Sage's Catarrh Remedy cares the worst cases of Catarrh, "Cold in the Head," Coryza, and tatarrhal Headache. Sold by druggists everywhere; 50 cents.

"Entold Agony from Catarrh."

Prof. W. HAUSNUR, the famous mesmerist, of Ithaca, N. Y., welles: Some ten yearsago I suffered untold agony from chror'd nasal estarth. My family physician gave me up as incurable, and said I must die. My case was such a bad one, that every day, towards sunset, my voice would become so hoarse I could barely speak above a whisper. In the morning my coughing and clearing of my throat would almost strangle me. By the use of Dr. Sage's Catarrh Remedy, in three months, I was a well mah, and the cure has been permanent."

"Constantly Hawking and Spitting."

Thomas J. Rushino, Esq., 2002 Pine Street, St. Louis, Mo., writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Luckily, I was ndvised to try Dr. Sage's Catarrh Remedy, and I am now a well man. I believe it to be the only sure remedy for catarrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure."

A complete Treatise on Catarrh, giving valuable hints as to clothing, diet and other matters of importance, will be mailed, post-paid to any address, on receipt of a two-cent postage stamp.
